HAPPY NEW YEAR!

Welcome to the first edition of our EMC Newsletter designed to keep us all up to date with the happenings in our church. We will hear from our Pastor through his desk, and we will highlight or feature different ministries in our church. Look out for a publication every month.

PASTOR RICARDO PIPER

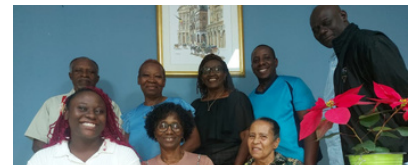

As we together embark on the journey of year 2025, let us travel with the spirit of brotherhood and sisterhood, knowing that anything we conceive, plan and work towards, God being our helper, we will achieve. This year, we are conceptuazing a transformation of families within our communities. This desired change within the primary institution can only be actualized through the gospel of Christ, which turns a sinner into a saint. As such, we are embracing the theme "Today Salvation has Come to this House!" Luke 19:9. With this objective in mind, an appropriate approach is necessary. The "Every Home for Christ" initiative, which is encouraged by the MCA Missions and Evangelism Department, was selected. Whilst this agency is not new to our church, we will take a renewed application of the program as we seek to reach the homes in Eltham and its environs. Let us, in 2025, think positively, plan objectively, pray accordingly, and work effectively - remember, only what is done for Christ will last!

PRAYER MONTH

January is being observed as our month of Prayer. This year we have been led by the Lord to engage in a 40 Day Fast. It's not too late to join in. We are almost half way through and we have seen answers to prayer, been experiencing spiritual refreshing, have experoenced rebuke from God's Word leading to repentance and turning.
